

FOR 24 HOURS ONLY

**YOUR GIFT (AND IMPACT!)
WILL BE DOUBLED!**

Hi friend,

We don't want you to miss out on this opportunity! Until midnight tonight, your gift will be doubled because of a generous match! [Help us reach today's \\$14,000 goal](#) and you'll be helping rescue 45 girls from discrimination created by COVID-19.

COVID-19 spans more than just healthcare—it has amplified the societal disparities that already existed. We're seeing a frightening rise in child marriages taking place as a direct result of the pandemic. Most of these marriages are carried out by families who usually work for a daily wage, but have lost this income during the pandemic.

Our goal is to holistically meet these needs. The food rations you purchased ease the burden that these families are feeling—preventing the distress that drives them to marry off their daughters illegally! And the money you're helping us raise today will help us rescue 45 girls from the danger of child marriage.
